HOW TO USE

With classic bullet styling, with one side featuring smooth ridges; The Bnaughty Deluxe fits against the body perfectly, no matter where the user chooses. It is fabulous for stimulation, when placed against the clitoris or nipples due to its **pinpoint pulsating precision**. The head of the penis and behind the testicles can also be stimulated using the silicone bullet. This massager is **perfect for couples play** or extremely **satisfying solo stimulation**.

When using the Bnaughty Deluxe take your pick from **6-functions** which are finger-numbingly powerful. B Swish's in-house design team has designed a state of the art attractive remote. Bnaughty Deluxe fits comfortably in the hand, with its ergonomic curvy shape that has the controls within natural reach of the index finger. The on/off button is separate from the function button for easy use with a red back light.

Bnaughty Deluxe requires **2 x AAA batteries**, not included.

MAINTENANCE
