

Bsoft PREMIUM

Soft and silky to the touch, this 7-function rechargeable massager is amazingly versatile; it can be positioned in the panties as it fits perfectly inside the labia or between two bodies during couple's play. The uniquely shaped personal massager feels incredible when pressed against the body's sensitive areas; nipples, clitoris, testicles, penis shaft and taint area. The ridge on the bottom allows for pressurized massage and stimulation, especially when placed between the vaginal lips. The Bsoft is perfect to press against you using the palm of your hand for the pressure that is right for you.

PROPER MAINTENANCE & CARE FOR BSOFT PREMIUM:

Wash the Bsoft in warm soapy water and rinse thoroughly. (Dishwashing detergent works well) - ensuring the adaptor cover is properly closed.

Take special care when washing the areas around the seam, Miss Binformed suggests to use a soft bristled toothbrush to make sure no residue is left behind.

Dry with a low lint cloth or air dry.

Once the toy is dry a quick wipe down with a sanitizing toy cleaner is recommended.

CONTENTS INSIDE: 1 Massager, 1 Charger, 1 Instruction Manual and 1 Storage Pouch. ****PACKAGING IS MULTI-LINGUAL**
