MAINTENANCE

Constructed from silicone, the Bdesired Deluxe is durable and odorless. Its silky finish is non-porous and phthalate free. Cleaning the Bdesired Deluxe is super easy, as it is a silicone massager there are no microscopic cracks or crevices that germs or bacteria can find themselves living in and growing in overtime and use. Therefore the easiest way to clean is with soap and warm water, air dry and pat down. Or if you prefer a quick wipe down with a high quality toy cleaner before and after each use will keep your Bdesired Deluxe at its best.

Lubricants: B Swish recommends a good quality water based lubricant be used with the Bdesired Deluxe.

*Remember: Silicone massagers are not compatible with silicone-based lubricant. Water based lubricants are compatible with silicone massagers and easy to wash off.
